

OPEN CALL FOR VOLUNTEERS

Kosovo Sustainable Development Week (KSDW) is an annual event for sustainable development, which promotes a green economy, a stable social setting, and the protection of the environment in the Western Balkans region. Each year, KSDW offers a wide range of activities within its program which encompass political and technical discussions, creative activities with youth, workshops, talks, etc. This edition will continue the tradition of providing a variety of activities under the main theme of 'Accelerating sustainable and inclusive growth for the WB6'.

For its 6th edition, KSDW is looking for volunteers to join the technical team in organizing the activities which will start from 24 until 30 May 2023. The volunteers are expected to be engaged at maximum **6-7 hours per day** (depending on the duration of the activity) during a timeframe of 7 days. The selected volunteers will meet with the team in which instructions and tasks will be presented for the activities in which they will be involved.

Volunteers will contribute to a wide initiative that in 5 years has managed to gather more than 1,000 participants, and over 400 speakers and implemented more than 80 activities. This poses a great opportunity for young people to learn first-hand about the issues of sustainability and ways of how an event of this large scale is organized. The selected volunteers will then be the promoters of sustainability to future generations of Kosovo and the region. At the end of their contribution, volunteers will be awarded certificates provided by the partnering organizations of KSDW.

The main responsibility of the volunteers will be to assist the Core Organizational Team for the implementation of activities from **24 until 30 May 2023** and hold professionally the tasks assigned by the partnering organizations.

Required criteria:

- ✓ Interested in sustainability issues,
- ✓ Eager to get connected with the community,
- ✓ Strong organizational and communication skills,
- ✓ Ability to multitask.

How to apply?

All interested volunteers can apply by sending an email to donike.begiri@indep.info with a CV and writing down the reason why you want to join the team. The deadline is until **24th of April 2022 (Monday) at 23:59 hr.**

**KSDW will cover the travel costs for volunteers in the event venue!*
